Brand Story

L'art de la gestion locative d'exception

About Haven Stays

Haven Stays by Medini Homes specializes in premium villa and riad management in Marrakech. We offer bespoke concierge services, seamless guest experiences, and property optimization for discerning homeowners seeking excellence in hospitality management.

Mission

To deliver exceptional property management through personalized service, cultural authenticity, and operational excellence. We transform luxury properties into extraordinary experiences.

Vision

To be Marrakech's most trusted luxury property concierge, renowned for sur-mesure solutions and transparent partnerships with property owners and guests alike.

Core Values

Excellence, Sérénité, Transparence, Performance, Respect

Logo & Usage

Logo Variants

- **Dark Logo**

Primary version for light backgrounds. Full color with dark text and gold accent.

- **Light Logo**

Inverted version for dark backgrounds. White text with gold accent.

- **Gold Logo**

Luxury variant. Gold primary color. For special applications.

- **Icon**

Circular monogram. Primary use in social media, favicons, small sizes.

- **Icon Light**

Light variant of icon for dark backgrounds.

Minimum Sizes

- Full Logo: 120px width
- Icon: 32px width

Clear Space Rules

- Maintain clear space equal to height of 'H' monogram on all sides
- Minimum 10mm clear space from other elements

Logo Don'ts

- ✗ Don't stretch or compress the logo
- ✗ Don't rotate the logo unless explicitly permitted
- ✗ Don't change colors or apply filters
- ✗ Don't add drop shadows, glows, or special effects
- ✗ Don't place on busy backgrounds without contrast overlay
- ✗ Don't combine logo with unauthorized fonts or elements
- ✗ Don't pixelate or degrade image quality
- ✗ Don't use outdated logo versions
- ✗ Don't separate logo elements or rearrange components
- ✗ Don't apply transparency inconsistently

Caption

Photography Style

Editorial & Authentic

Warm, natural light photography that captures genuine moments and authentic spaces.

Subject Matter

Villa interiors and exteriors, Marrakech architecture, traditional riad elements, lifestyle moments, luxury amenities, cultural details.

Style & Tone

Unsplash-style imagery. Lifestyle, luxury, warm tones. Aspirational but accessible. No overprocessed or cold-toned images.

Hero Section Treatment

Always apply subtle overlay on hero image sections. Use dark gradient overlay at 90-92% opacity to ensure text readability and maintain brand consistency.

Avoid

Generic stock photos, overly processed images, cold color temperatures, artificial-looking scenes, overcrowded compositions.

UI Elements

Buttons

`.btn-gold`

`.btn-outline-d`

Border Radius: 6px | Padding: 12px 24px

Cards

White background with subtle shadow on hover
Gold bottom border accent on hover state

Forms

Dark background with transparent inputs
Gold focus state and border highlight

Tables

Clean layout with gold accent column
Subtle row hover state with light background

Tone of Voice

Brand Personality

- Premium but accessible
- Professional yet warm
- Confident without arrogance

Key Words

- ◆ Excellence
- ◆ Sur-mesure
- ◆ Sérénité
- ◆ Performance
- ◆ Transparence
- ◆ Authenticité

Avoid

- ✗ Jargon-heavy language
- ✗ Aggressive sales language
- ✗ Excessive exclamation marks
- ✗ Corporate buzzwords
- ✗ Overly casual tone

Digital Applications

Website

Dark header with gold accent. Sand-colored content sections. Navy call-to-action buttons. White text on dark backgrounds for strong contrast.

Email Signatures

Minimal layout with logo, name, title, contact details. Use dark background with gold accent line. Include phone and website link.

Social Media

Profile Picture: Icon on dark circular background. Cover Image: Villa photograph with dark overlay (90-92% opacity) for text readability.

WhatsApp Business

Green floating action button positioned bottom-right. Quick response templates using brand tone. Consistent with website messaging.

Mobile App

Dark navigation bar with gold accents. Sand-colored backgrounds for content areas. Large, tappable buttons (minimum 44x44pt). Follow iOS/Android guidelines while maintaining brand aesthetic.
